

Race Officer Course

Saturday 21st April 2018
10:00-16:00

The course is open to new recruits and any existing Race Officers and Assistant Race Officers who wish to refresh and improve their race management skills.

It's **free**, it's **fun** and you will learn lots about starts to help with your own racing!!

The morning is shore-based, the afternoon session is on the water.

Following the course you will be expected to do 3 club duties with an established Race Officer, initially assisting, then running the racing under supervision before becoming a fully-fledged Race Officer once you feel ready.

In return for this, 4 duties in a calendar year gets you £100 discount off the following year's membership plus a further £25 for each further duty.

Please contact Janet in the office to reserve your **free** place on 01784 248881 or email sailingsecretary@queenmary.org.uk
