22. RISK STATEMENT

RRS 3 states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone".

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

(a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

(b) They are responsible for the safety of themselves, their crew, their boat and their

- (c) other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules or information produced for the venue or event and attend any safety briefing held for the event.

23. INSURANCE

Each participating boat shall be insured at all times, including when racing, with valid third-party liability insurance with a minimum cover of £3 million per incident.

24. PRIZES

Prizes will be awarded to the lesser of the first three places or the integer of the square root of the number of entrants. A prize will also be awarded to the first junior helm, or if none, the first junior crew. The QM Club Championship prize will be awarded to the highest placed QM boat.

25. MEMBERSHIP AND LIABILITY

- 25.1 All visiting competitors will be deemed temporary members of Queen Mary Sailing Club during the event and as such shall abide by all the Club's rules and bye-laws.
- 25.2 All Users (as defined in the Club bye-laws) use the Club premises and other facilities of the Club entirely at their own risk and by doing so accept that: the Club will not accept any liability for any damage to or loss of property belonging to any User; the Club will not accept any liability for personal injury arising out of use of the Club premises or any other facilities of the Club, or out of participation in any race organised by the Club, by whosoever sustained or caused, whether or not such damage or injury could have been attributed to, or contributed to or was occasioned by the neglect, default or negligence of any of the officers, committees, Members or servants of the Club.
- 25.3 Before inviting any guests or visitors onto the premises or to participate in events organised by the Club, Members will draw attention to this rule.

26. LOCAL RULES

- 26.1 **Buoyancy:** Each boat shall be fully equipped with sufficient buoyancy to enable it to float and to support its crew if capsized or holed.
- 26.2 **Protective clothing:** Between 1st November and 31st March, full body wetsuits or dry-suits shall be worn by all competitors at all times whilst afloat. These do not constitute a personal flotation device.
