Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules or information produced for the venue or event and attend any safety briefing held for the event.

## 21. **INSURANCE**

Each boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2 million.

- 22.3 Before inviting any guests or visitors onto the premises or to participate in events organised by the Club, members will draw attention to this rule.

## 23. **LOCAL RULES (derived from the Bye-laws of Queen Mary Sailing Club)**

- 23.1 **Buoyancy:** Each boat shall be fully equipped with sufficient buoyancy to enable it to float and to support its crew if capsized or holed. Personal flotation devices shall be worn by all crew members at all time whilst afloat, on the pontoons or on the sloping banks.
- 23.2 **Protective clothing:** Between 1st November and 31st March, full body wetsuits or dry-suits shall be worn by all competitors at all time whilst afloat. These do not constitute a personal flotation device.
- 23.3 **Keeping Clear:** Boats shall keep clear of barges and motor vessels that are restricted in their ability to manoeuvre. When a boat finds herself unable to keep clear of such a vessel she may use propulsion, such as paddling or rocking, provided she does not gain a significant advantage in the race (rule 42.3(h)).
