

Queen Mary Overseas Trip

“Open to All”

Did you know.....?

Every summer a large group of Queen Mary members, partners, family, and friends all disappear off together to a far-off resort to enjoy warm weather sailing, kayaking, paddleboarding, swimming, water skiing, cycling, tennis, fitness classes, water polo and anything else they can get involved in (including just lazing by the pool or in the spa).

Last year we went to Mark Warner’s Kamari Beach resort in Rhodes but this year we are returning to Neilson’s Messini Beach club in Analipsi Greece and

such is the popularity of the trip that 16 of us have already booked for 2024.

Dates: 11th – 18th June 2024 (but some book additional dates /week before or after too)

All are welcome whether sailors or not, singles or couples, siblings or just friends. We have lots of fun!

Book directly with Neilson or for a slight discount contact and book through Travel Club Elite on 0121 213 0012 mentioning Karen Caselton’s name and that you are booking as part of Queen Mary SC group.

Please advise Karen once you have booked at pkcaselton@btinternet.com so we can keep track of numbers.

See you in Messini.
