- (d) at the outlet at the north-east corner of the reservoir, the area bounded by round yellow buoys.

12. THE START

- 12.1. Races will be started by using RRS 26 with the warning signal made 5 minutes before the starting signal. The preparatory signal will be made 4 minutes before the starting signal and the preparatory flag removed 1 minute before the start.

- 16.3 A boat failing to finish within the finishing period for its fleet will be scored DNF without a hearing save that the Race Committee may, during such finishing period, display flag W to boats on the course in which case they will be scored as if they had finished in their position at that time.
