Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their

- other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions:
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules or information produced for the venue or event and attend any safety briefing held for the event.

21. INSURANCE

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of £3 million per incident.

- 22.3 Before inviting any guests or visitors onto the premises or to participate in events organised by the Club, members will draw attention to this rule.
- 23. LOCAL RULES (derived from the bye-laws of Queen Mary Sailing Club)
- 23.1 **Buoyancy:** Each boat shall be fully equipped with sufficient buoyancy to enable it to float and to support its crew if capsized or holed.
- 23.2 **Protective clothing:** Between 1st November and 31st March, full body wetsuits or dry-suits shall be worn by all competitors at all times whilst afloat. These do not constitute a personal flotation device.
- 23.3 **Parking:** Boats associated with cars parked on the upper (clubhouse) level during a race may be disqualified from that race without a hearing. This changes RRS 63.1.
- 23.4 **Invasive Species:** In accordance with Environment Agency guidelines and to prevent the spread of invasive species, QMSC is adhering to the CHECK CLEAN DRY principle. Details are at www.queenmary.org.uk/Data/Sites/1/check-clean-dry-poster.pdf Please make sure your boat has been clean and dry for 2 days prior to your arrival and is washed and dried before returning to other venues.
